Extraordinary Freak of a Young Business Man.

Dressing Himself For His Wedding and Deliberately Shooting Him self Instead of Going to Read His Bride—Remarkable Coolsess of the Deed-A Strange Case.

UPPER SANDUSKY, O., Oct. 16 .- A startling sensation was created here by the deliberate suicide of Fowler Berry, sensor partner in the dry goods firm of S. F. Berry & Co He dressed himself in the Berry & Co He dressed himself in the afternoon in his weeding suit preparatory to starting at night for Cincinnati, where it is said arrangements were being made for his marriage to an estimable young lady of that city, on Wednesday. About 6 o'clock he walked into his store, and, after all were gone to supper, boited the front door, went to the carpet room up stairs, and, laying his bead upon a small roll of carpet, drew his revolver, which is roll of carpet, drew his revolver, which is a 32-caliber, and placing it immediately behind his right ear, sent a ball through his head. When his brother Foster returned from supper he was astonished at finding the door fastened on the inside. Upon the arrival of one of the clerks a window glass was broken out in the rear part of the store, and, going up stairs, the terrible discovery was made. It is believed that death was instantaneous, as he still held the instrument of death in his hand. The ball passed clear through his head, and lodged in the carpet under-neath. A note addressed to his brothe-was found at the head of the stairs, which stated that he, deceased, was washed, dressed and shaved, and all ready to be placed in the coffin. He had even taken the precaution to button his overcoat close around his throat and tie a handkerchief around his head to prevent the blood from soiling his clothing. When the news was carried to the home of his parents, who were still sitting at the tea table, the scene was heart rend-ing and can be better imagined than told. The cause of his rash act is unknown. He was a young man of fine business qualifications and irrepreachable character, and this midden freak of his has east a groom over this entire city.

To cure these diseases the blood must be purified, and restored to a healthy and natural condition. AYER'S SARSAPARILLA has for over forty years been recognized by eminent medical authorities as the most powerful blood purifier in existence. It frees the system from all foul humors, enriches and strengthens the blood, removes all traces of mercurial treatment, and proves itself a complete master of all scrofulous diseases

A Recent Cure of Scrofulous Sores. A Recent Cure of Scrofulous Sores.

"Some months ago I was troubled with scrofulous sores (ulcers) on my legs. The limbs were badly swollen and inflamed, and the sores discharged large quantities of offensive matter. Every remedy I tried failed, until I used Ayer's Sarsapartilla, of which I have now taken three bottles, with the result that the sores are healed, and my general health greatly improved. I feel very grateful for the good your medicine has done me. Yours respectfully, Mrs. Ann O'BRIAN."

The well-known writer on the Boston Herald, B. W. BALL, of Rochester, N.H., writes, June 7, 1882: "Having suffered severely for some years with Eczema, and having failed to find relief from other remedies, I have made use, during the past three months, of Ayer's Sarsapanilla, which has effected a complete cure. I consider it a magnificent remedy for all blood diseases."
